

**REMARKS**

Entry of the foregoing prior to examination on the merits is respectfully requested.

Claim 1 has been amended to replace "consisting of" with "comprising" to more accurately claim the invention. Some of the dependent claims have been amended to better adapt them to U.S. practice. Improper multiple dependent claims have been made into proper multiple dependent claims or have been made singly dependent and, where necessary, new singly dependent claims have been added to claim what has been deleted by correcting the improper claims. Subject matter prefaced by "preferably" in the original claims has been canceled from the original claims and placed in new Claims 52-57. Original "Use" claims have been canceled in favor of new method claims. No new matter has been added.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
